Internship Fashion & Management

"Sustainable fashion is on the rise"

Björn agency offers the opportunity to develop your own project as part of the internship. We are expanding fast and offer internships for those interested to learn about international sales and expansion. We specialize in international sales, event, marketing and customer service and sustainability is part of our DNA. During your stay at Björn agency you will also experience what it takes to be an entrepreneur in the fashion industry. A minimum level of knowledge of the Dutch language is required.

Interested? We'd like to hear your motivation! -> frans@bjornagency.com
